

## GEM ONLINE FILL-IN WORKSHEET

Provided for your convenience is the GEM Online Fill-In Worksheet form for requesting a Downhole Performance Prediction. You will need the full version of Adobe Acrobat to fill in the data fields online. The completed request can then be saved for future reference and e-mailed to a GEM Support Team member for processing

If you only have the Adobe Reader, you can open the file, print it, fill it in by hand and fax it to the GEM Support Team member.

If you need assistance with this form or have any comments or suggestions, please e-mail [support@titanspecialties.com](mailto:support@titanspecialties.com).
